- 5.3. Before you can purchase a Security on the Upstream App, you must have available funds to cover the sum of all open Orders. Your Upstream Account shall not be permitted to stand in debit.
- 5.4. Before you can sell a Security on the Upstream App, you must have available Securities to cover all open Orders for sale of Securities. There is no short selling of Securities in your Upstream Account.
- 5.5. Only Limit Orders may be placed and executed on the Upstream App. A Limit Order is an order placed on the Upstream App to enter into a Transaction, whether such Transaction is for the sale or purchase of Securities, when the price of the relevant Security reaches a predetermined level (the limit price) on the Upstream App.
- 5.6. When you place an Order, you will receive the price at which the Order is executed in the marketplace on a best bid price or best ask price basis, as the case may be. The “best ask price”

is the price, or better, you may buy Securities at. The “best bid price” is the price, or better, you may sell Securities.

- 5.7. During periods of high volume, illiquidity, fast movement or volatility in the marketplace, the execution price received may be better than the limit price that you provided on entry of an Order, and you may receive partial executions of an Order at different prices, at the limit price or better. You understand that MERJ is not liable for any price fluctuations. You also understand that price quotes generally are for only a small number of Securities as specified by the marketplace, and larger Orders are relatively more likely to receive executions at prices that vary from the limit pricing or in multiple lots at different prices, at the limit price or better. You understand that hidden orders, i.e., so-called iceberg orders, are not permitted on the Upstream App.
- 5.8. Securities may open for trading at prices substantially higher or lower than the previous closing price or the anticipated price. If you place an Order (whether during normal market hours or when the market is closed), you agree to pay or receive the prevailing price, or better, at the time the Limit Order is executed. You acknowledge that the price you pay may be significantly better, but never worse, than anticipated at the time you placed the Limit Order. You also understand that Limit Orders may not be executed at any particular time, or at all if there is not sufficient trading at or better than the limit price you specify. The Support Website contains further information regarding the Limit Order types and limitations on the Upstream App, which you agree to read and understand before placing such Orders.
- 5.9. Orders to Transact Upstream may only be placed by means of the Upstream App and by not other means.

6. Fees and Charges

We will charge and deduct from your Custody Account, the Transaction Fees upon execution of the Transaction. You hereby authorise us to deduct the Transaction Fees from the Custody Account as and when they become due and payable.
- 6.3. The Transaction Fees may be in addition to any other fees and costs charged in terms of the Participation Agreement. In this regard, it is your responsibility consider Fee Schedules on the Website, which may be applicable to your Transaction.

7. Orders by means of Upstream App only

Please consider carefully if you can afford or want to take on the risks of limiting your method of placing Orders on the Upstream App. Your Upstream Account is only accessible by means of the Upstream App. If you cannot access the Upstream App or the Upstream App is not functioning, you will not be able to place Orders through other means. You agree that you assume responsibility for all losses that arise if your Orders cannot be placed on or through the Upstream App.

You understand that all Transactions concluded through the Upstream App are unsolicited and that all trading decisions made by you will be your own decisions and that no representatives of MERJ will offer any trading or investment advice. You further understand that you must review your suitability and investment objectives before placing an Order. You understand that all investments involve risk, that you may lose my entire investment, and that the past performance of a Security, industry, sector, market or financial product does not guarantee future results or returns.
- 8.2. All investments on the Upstream App are speculative. Listings on the Upstream App are only suitable for investors who are familiar with and willing to accept the high risk associated with speculative investments, often in early and development stage companies. There can be no assurance as to the valuation of any particular Securities. Investors must be able to afford market volatility and afford the loss of their investment. Companies listed on the Upstream App are subject to significant ongoing corporate obligations including, but not limited to disclosure, filings and notification requirements, as well compliance with applicable quantitative and qualitative listing standards.
- 8.3. You acknowledge that Securities listed on the Upstream App do not have a bank guarantee, are not insured and may lose value.

We will try to schedule our maintenance during the middle of the night outside of market hours but may sometimes need to perform maintenance during less convenient times, which could interfere with your access to the Upstream App. You agree that we are not

responsible for any lack of access or functionality resulting from such required maintenance.

The Support Website sets out the annual holiday schedule and operating hours of the Upstream App. Computer glitches can arise on your end, our end, or anywhere in between: your phone may break down; the connection between your phone and your carrier or Internet service provider may not work properly; your carrier or Internet service provider may go down; or our computers and the computers we link to may be unavailable due to unforeseen system outages.

9.4. During certain times when trading volumes increase on the Upstream App, many Upstream App account holders may want to place Orders at the same time, and as a result, delays in Order processing may occur. You agree that we are not responsible for any losses or liabilities that may occur as a result of high trading volume, market volatility, or computer, telecommunications, or internet failures, regardless of the cause.

10. Extraordinary Events

You agree that we are not liable for any losses caused directly or indirectly by extraordinary events or conditions beyond our control. Such events include, but are not limited to, government actions, exchange or market rulings, and suspensions of trading.

11. No Guarantee on Accuracy of Third- Party Information

Therefore, we are in no way responsible for and in no way approve, endorse, or guarantee the accuracy, reliability, or completeness of any data or information provided in any hyperlinked webpage or website.

12. Disclosure of Information to Issuers

You hereby authorise MERJ, or its Associates, to provide information to any issuer of your Securities acquired by means of the Upstream App, insofar as such information is required by the

purpose of corporate actions by such issuer. Such information may include, but shall not be limited to, your name, postal address, email address and securities position information.

13. Upstream Account Statements and Confirmations Report Errors Immediately

13.1. You will receive notice by email periodically, but not less than quarterly, that your Upstream Account statement is accessible and available for viewing or printing. These statements will detail all activity recorded in your Upstream Account. You may also receive notice by e-mail if opted in, that a trade confirmation in respect of a Transaction is accessible and available for viewing or printing from our Website, the business day following the date of the Order. You are strongly encouraged to review these documents promptly. We will conclude that all information is correct unless you contact us promptly about any errors.

13.2. If, for any reason, you do not periodically receive emails from us notifying you of your statement or trade confirmation delivery, you agree to notify us immediately so that we can determine the cause of the notification failure and take appropriate steps to correct it.

14. Exclusions

The ability to Transaction using the Upstream App is limited to natural persons acting individually. The Upstream App does not make provision for joint accounts held by more than one person, corporate accounts held by juristic persons or margin accounts for the purpose of concluding Margin Transactions.

15. Default and Termination

Without limiting the rights of MERJ in the Participation Agreement, in the event of your default of these Terms and Conditions or the Participation Agreement, MERJ will be entitled take all such action as it deems fit to protect MERJ, MERJ Trading Platforms and other users of MERJ Trading Platforms, including but not limited to the restriction of your access to the Upstream App, restriction or limitation on your ability to make Orders or conclude Transactions, the termination of any open Orders, or the termination of your Upstream Account. The termination of your Upstream Account will not affect the rights and/or obligations of either party incurred prior to such termination. If this Agreement is terminated, the Upstream App shall have no right to access or otherwise prevent a cash withdrawal from the User's account with the Custodian.

16. No Cession or Assignment

You shall not be entitled to cede, assign, or transfer your rights or obligations in terms of these Terms and Conditions.

17. Notices and Communication

- 17.1. All notices, documents, and other information related to your Upstream Account and Transactions are delivered electronically. This may be done through the push-notification by means of the App, an online posting on the Website, an email or other electronic media to which you hereby consent. Your consent to electronic delivery extends to all information required to be provided by us, by the issuers of the Securities in which you invest, and by other Service Providers in respect of the Upstream App. This means you will receive email or other notices relating to your Upstream Account and Transactions, including statements and confirmations, prospectuses, annual reports, proxy statements, proxies, tender offers and mergers and corporate recapitalisations.
- 17.2. You agree that when we send these email notices to you that they constitute delivery to you of the information or documents referred to in the email even if you do not actually access the information or documents sent or published. You may not revoke this consent to electronic delivery.

Digital Trust Disclosure Statement for Upstream Members

This Disclosure Statement (“Statement”) is made by and between the individual Upstream Member accepting these terms (“Upstream Member”) and Digital Trust, LLC (“Custodian”). Custodian hereby agrees to accept and hold such monies, securities and property (“Property”) as may from time to time be delivered by or for Upstream Member to Custodian, or added in the process of investing the Property, in a custody sub-account (“Custodial Sub-Account” or “Sub-Account”) and to invest such Property, solely at the direction of the Upstream Member who maintains an account on the “Upstream App” (being the digital security trading platform application known as Upstream). Upstream Member acknowledges and agrees that the Sub-Account opened with Custodian is for cash deposits to execute trades on the Upstream App and Upstream Member acknowledges and agrees that it will be subject to the terms below.

ARTICLE I GENERAL TERMS

1. During the term of this Statement, Custodian shall have custody and possession of the Property and shall be charged with the duty of safely keeping the same. Custodian may for convenience take and hold title to Property or any part thereof in its name as Custodian or in the name of its nominee. Upstream Member acknowledges that Custodian will hold in custody the indicia of ownership or confirmation or other evidence of purchase and not the asset itself. Where the asset is an investment vehicle for the investment in other assets, the Custodian shall have no control over or responsibility for the underlying assets. Custodian is acting solely as a passive custodian to hold Sub-Account cash assets, and in no other capacity. Custodian will have the right not to affect any transaction/investment in which it deems to be beyond the scope of its administrative capabilities or expertise.
2. Upstream Member authorizes MERJ Exchange Ltd. (“MERJ”) to disclose the information necessary to open a Sub-Account, to Custodian including, but not limited to, Name, Address, Phone Number, Email Address, Social Security Number, Tax ID number, birthdate, Upstream account number, transaction data, and government ID. Upstream Member authorizes Custodian to accept any and all directions for the investment, sale, and reinvestment of the Property that are provided by the Upstream App consistent with the authority granted by the Upstream Member as furnished to the Custodian as though they were directions directly from Upstream Member. Custodian is not required to verify with the Upstream Member any of the directions from the Upstream App.
3. **IMPORTANT USA PATRIOT ACT INFORMATION.** To help the government fight the funding of terrorism and money laundering activities, federal law requires all U.S. financial institutions to obtain, verify, and record information that identifies each person who opens an account. What this means to Upstream Member: That you agree to allow MERJ via the Upstream App

to provide us with your name, residential address, date of birth, and your social security number and driver's license number (U.S. Citizens), or Taxpayer Identification Number (TIN), Passport, or foreign govt issued ID (non-U.S. Citizens) before we will accept and open your account. Upstream Member certifies that the identification number provided pursuant to this Statement is my correct identification number.

4. It is Upstream Member's responsibility to prepare and file all required tax returns including income and capital gains. Upon request through the Upstream App, Custodian will provide to Upstream Member a statement containing all information regarding the transactions executed under this Statement that may reasonably be required for the preparation of Upstream Member's income tax returns. Upstream Member is responsible for the payment of any and all accountant and attorney fees incurred in the preparation of Upstream Member's tax return or resulting from the operation of this Account.
5. Either the Upstream Member or the Custodian may terminate and close this account by providing notice ("Termination Notice") to the other party via the Upstream App or in writing directly to the Custodian. If the Account is terminated, Custodian shall deliver the Property as soon as practicable to Upstream Member or, at Upstream Member's written or electronic request, to another custodian or other third party. If the Custodial Sub-Account is closed and within 30 days of the date of the Termination Notice, the Custodian has not received delivery instructions, the Custodian may deliver Property in kind and/or liquidate Property and send the net proceeds to the Upstream Member at the last address the Upstream Member provided to the Custodian. Upstream Member acknowledges that Property may require a reasonable amount of time to be transferred. Upon delivery of all Property, the Custodian's responsibility under this Account will then cease.
6. This Account shall also terminate upon receipt by the Custodian of evidence of death of an individual Upstream Member or as otherwise required by law, subject to clause 7 below.
7. If this Account terminates due to the death of the Upstream Member, upon receiving satisfactory evidence of the death, Custodian shall freeze the Custodial Sub-Account and review documents, or information provided by the Estate via the Upstream App directing Custodian to transfer ownership of the Property or liquidate Property and provide instructions to wire funds to an Estate account.
8. In order to invest in securities, private equity and asset related transactions via the Upstream App, Upstream Member, agrees to read and understand the terms of each investment and/or other relevant materials outlining trading and investment rules and risks including the Upstream Terms and Conditions and MERJ Platform Participation Agreement (collectively "Membership Agreements"); and Upstream Member further agrees that it is the Upstream Member's choice to assume risk of making investments via the Upstream App. Upstream Member understands that any order or other transaction entered via the Upstream App is placed by Upstream Member on a best-efforts basis as prescribed and recognized by the Upstream App and that Custodian is not responsible for unexecuted orders due to the failure of any electronic communication system; the completion of a purchase or liquidation is dependent on the cooperation of the Upstream App. Upstream Member agrees to be fully responsible for the

information contained within the Membership Agreements and to hold the Custodian harmless for any deficiencies contained therein or Upstream Member's failure to read or understand such information. It is not the responsibility of Custodian to review the prudence, merits, viability or suitability of any investment made by Upstream Member or to determine whether the investment is acceptable under any applicable law.

ARTICLE II - AMENDMENT

This Statement will be amended from time to time to comply with changes in the law and related regulations. Without prior notice to or consent of the Upstream Member, the Custodian may amend this Statement from time to time in order to comply with U.S. law and related regulations. Notice of such amendment shall be sent to the Upstream Member by electronic means within thirty (30) days after such amendment is to be effective. The Custodian may amend this Statement for any reason without the consent of the Upstream Member; provided notice of such amendments shall be sent to the Upstream Member thirty (30) days before the date such amendment is to be effective.

ARTICLE III - GENERAL POWERS AND DUTIES OF THE CUSTODIAN AND LIMITS THEREON

1. The Custodian is hereby authorized and empowered:
 - a. To hold Property received from time to time from the Upstream Member, on behalf of the Upstream Member which shall, when aggregated with any interest earned thereon, be collectively referred to as the Custodial Sub-Account.
 - b. To collect any income generated from the Property and add such sums to the Custodial Sub-Account; to make payments, disbursements or distributions from the fund as directed by the Upstream Member or as provided under the provisions of this Statement; to purchase, sell, convey, assign, exchange, mortgage or pledge any property in the Custodial Sub-Account in such manner and upon such terms as instructed by the Upstream Member via the Upstream App and in conformity with the terms of this Statement.
 - c. Custodian shall collect, receive and hold in custody proceeds when Property matures, is sold or is redeemed. Custodian shall notify Upstream Member via the Upstream App, if any, of such transaction and shall hold the proceeds of such transaction until receipt of written instructions from Upstream Member via the Upstream App. Custodian will use its best efforts to collect Property at maturity and at dates of call for payment but assumes no responsibility for its failure to do so.
 - d. The entire net income derived from Property held hereunder, after payment of all charges and expenses, including Custodian's fees, may be paid to Upstream Member or otherwise,

as Upstream Member shall direct via the Upstream App.

2. The Custodian shall be responsible only for such funds or assets received by it hereunder. The Custodian shall act only with the direction and approval of the Upstream Member in the investment, management, disbursement and disposition of the custodial assets for the purposes and in accordance with the provisions of this Statement. The Upstream Member shall direct the Custodian as to investment and reinvestment of the Custodial Sub-Account. Custodian shall have no duty or obligation to inquire into or investigate the suitability or propriety of any direction of the Upstream Member. The terms of this Statement shall be binding upon the Custodian and Upstream Member.
3. The Custodian shall have no duty to review the assets held in Custodial Sub-Account in respect to their safety, risk, or timeliness, and shall render no opinion as to Property so held or as to the advisability of initial and subsequent purchases directed by the Upstream Member. The Custodian shall not be held liable or otherwise accountable for losses incurred by reason of investment selections in accordance with Upstream Member's directions.
4. The Custodian may respond to any subpoena without prior notice to the Upstream Member.
5. Agreeing to the custody of a specific asset does not constitute marketing, distributing or raising capital for that asset and the Custodian is not in any way endorsing the asset.
6. The Upstream Member acknowledges that the nominal owner of any investment held in the Custodial Sub-Account is Digital Trust as Custodian. Therefore, the Upstream Member agrees not to receive or withdraw any funds or any Property held in the Custodial Sub-Account other than through the Custodian via the Upstream App and Custodian is authorized to take any action necessary to ensure that any investment directed to be purchased by the Upstream Member via the Upstream App is correctly documented as being purchased in and owned by the Custodial Sub-Account.
7. All requests for withdrawals shall be via the Upstream App, on a written or electronic form provided by, or acceptable to the Custodian. The Upstream Member's tax identification number must be provided to the Custodian before the Custodian is obligated to make a distribution.
8. Upstream Member agrees that the Custodian has no duty to report any information on any asset held in the Custodial Sub-Account which the Custodian may have learned in connection with another account or customer or from any source other than in the operation of the Upstream Member's Custodial Sub-Account.

ARTICLE IV - INVESTMENT OF THE ACCOUNT - NO CUSTODIAN RESPONSIBILITY

1. Subject to Article V of this Statement, the Upstream Member has the sole authority and discretion, fully and completely, to select and to direct the investment of all assets in the Custodial Sub-Account. The Upstream Member accepts full and sole responsibility for the success or failure of any selection made. It is the Upstream Member's responsibility to understand the nature of the investments, the principals and risks involved with the investments

the Upstream Member has chosen. The Custodian has no responsibilities for the selection, continuation or sale of any assets. The Custodian is under no duty to disclose any risks associated with any investment.

2. The Custodian shall not be responsible for the investment of assets or their performance after the Upstream Member's death as the Custodian shall not assume any duties or responsibilities after the Upstream Member's death in addition to the duties and responsibilities specifically provided for and assigned to the Custodian in this Statement.
3. The Custodian shall not be responsible to investigate any investment, or any principals involved with any investment.
4. In connection with certain investments, Upstream Member may execute certain ancillary documents. If Upstream Member has agreed to provide services or has appointed an agent to provide services pursuant to such ancillary documents, the Custodian shall not have any responsibility for the performance or nonperformance of those services. Upstream Member agrees to indemnify and hold harmless Custodian from and against losses or any liability caused by Upstream Member's third-party service providers.

ARTICLE V - UNINVESTED CASH FUNDS.

1. Funds deposited with Custodian, or received funds in settlement of trades, that are not subject to a current Direction of Investment (or are awaiting your direction), are collectively referred to as ("Uninvested Cash Funds"). All cash deposits are initially placed in one or more demand deposit accounts (savings or checking), including but not limited to Certificates of Deposit (CDs), investment grade bonds, "A" rated or higher life insurance companies (fixed annuities) and/or Treasury Notes, other loans, maintained by us, and your account is credited with all Uninvested Cash Funds the same business day they are received. You agree that Custodian may invest Uninvested Cash Funds from your Custodial Sub-Account in account(s) of Custodian's choosing using a formula designed to maintain liquidity of the Uninvested Cash Funds.
2. Specifically, Upstream Members authorize and directs Custodian to sweep Uninvested Cash Funds automatically into Custodian's designated account(s) until such time as further direction is received from Upstream Member. If FDIC insurance applies to the investments purchased with Uninvested Cash Funds, the insurance will be subject to all applicable laws and regulations, including those laws and regulations related to FDIC insurance limitations. Custodian may adjust the formula for investment between the accounts or replace one or both of the accounts from time to time, but only after providing you with notice of the change. You will be deemed to have consented to this change and the continued investment of any Uninvested Cash Funds in the updated account, within 30 days from the date Custodian sends the investment change notice, unless you notify us in writing that you do not consent. Custodian's depository

institution partners' FDIC insurance may cover each fully disclosed Sub-Account for each Upstream Membership as deposited by the Upstream Member from time to time, as agreed upon with Custodian's depository institution partner. The standard insured amount at the time of Execution is \$250,000.00 per the United States Federal Deposit Insurance Act, Section 11. If investments are not FDIC insured, they will be one hundred percent collateralized. Custodian is not liable for uninvested, idle funds that cannot be FDIC insured.

3. You understand and agree that Custodian is entitled to retain as part of its compensation for the services Custodian provides under this Statement the excess of any interest or other income earned or otherwise generated from the Uninvested Cash Funds deposited in such accounts. Custodian is not required to credit a percentage of these earnings back to your account but may choose to do so at Custodian's discretion. The amount credited back to your account will be at Custodian's discretion.
4. If Custodian receives moneys after hours or that otherwise cannot be immediately swept into an approved interest-bearing investment, such amounts may remain uninvested in our bank account overnight. In that case, Custodian may also earn float on such amounts. In addition, if Custodian issues a check on your behalf in connection with (1) distributions requested by you or (2) fees paid to third party service providers to your account, Custodian debits your account the amount of the check and deposit the funds into a special disbursement account held by us. In that case, we will earn float on the amount of the check from the date it is issued until the date the check is presented and paid.
5. Because the amounts held in Custodian's bank account overnight or disbursement account are invested on an omnibus basis and not segregated from other deposit funds, attributing an exact earnings or interest factor applicable to your specific Custodial Sub-Account is not possible. What Custodian earns on the float depends on numerous factors such as current interest rates, credit risk, the duration of a particular investment, and our current crediting rate. However, Custodian anticipates that our earnings on the float will be at a rate similar to that of short term U.S. Treasury Notes, although the rate may differ from time to time.

ARTICLE VI - OTHER ADMINISTRATIVE POWERS AND DUTIES OF THE CUSTODIAN

1. The Custodian may make any payment or distribution required or authorized hereunder by ACH or by wire or other electronic transfer to the payee by means of the Upstream App. The Custodian shall not be liable for any payment made in good faith without actual knowledge of any changed condition or status of any person receiving benefits hereunder. The Account Owner shall be responsible for all wire fees published on the fee schedule.
2. The Custodian may consult with and employ other agents or legal counsel, who may, but need not be counsel for the Custodian individually, and the Custodian shall be fully protected from liability in actions taken or omitted, in good faith, upon the advice of such counsel.

There are significant risks associated with using and relying on a web-based, electronic MERJ Platform. Such risks include, but are not limited to, risks related to the use of software and/or telecommunications systems such as software errors and bugs, delays in telecommunications systems, interrupted service, data supply errors, faults or inaccuracies and security breaches.

These risks and the occurrence of disruptive events are outside the control of MERJ and, accordingly, you will have no recourse against MERJ in relation to the use of or availability of our MERJ Platform or any errors in the software and/or related information systems.

There are important provisions regarding the use of the MERJ Platform contained in the MERJ Platform Participation Agreement. You must ensure that you fully understand these provisions and the risks involved in relying on an on-line, automatic trading system and the limitations in the service that MERJ can provide in relation to the MERJ Platform.

- **MERJ Platform Closed**

Due to the dynamic nature of the financial markets, it is possible that the value of your open positions will change while the trading function of the MERJ Platform is unavailable. In this case, you will not be able to trade in a product such as open a new transaction or close out an open transaction until the trading function of the MERJ Platform is available again. You may suffer a financial loss or opportunity loss as a result.

- **Discretionary Powers of MERJ**

Under the MERJ Participation Agreement, MERJ has a number of discretionary powers which may affect your trading activities. These powers are set out in this Risk Disclosure Statement as well as the MERJ Platform Participation Agreement and you should ensure that you fully understand them.

- **Market Volatility**

Markets are subject to many influences which may result in rapid fluctuations and reflect unforeseen events or changes in conditions

In certain market conditions such as during times of price volatility in markets, quotes provided by MERJ may 'gap'. A gap means that a price may unexpectedly jump from one price level to another without trading at rates in between those two price levels or quotes. It is not possible for us to predict when a price 'gap' will occur or by how much. Price gaps are generally a result of unexpected news or previously unknown data being released (e.g. news of terrorist attacks, revaluation of a currency, geopolitical upheaval or natural disasters).

- **User Acknowledgement**

By accepting the electronic check box as part of this application process I/We confirm receipt of this Risk Disclosure document and have read, understood and agree to its contents.
